5. Still on the "Advanced" tab, scroll down to the "Printing" option and ensure "Print background colours and images" is ticked. Click OK to apply all changes.

6. Go to "File" and then "Page Setup" in the browser menu.

7. Ensure the Header and Footer fields are empty, and place a "0" in each of the 4 Margin fields.

Check the page size is set to A4.

Click on the "Printer..." button, select your printer and check the page size is A4 under "Properties".

Click OK to apply changes.
